INFORMATION

September, 2004

National Certified Medical Assistant, USA

1995 - 1996

Internship, University of Nigeria, Teaching Hospital, ENUGU

1985 - 1994

College of Medicine, University of Nigeria, Enugu Campus

1979 - 1985

High School, Boys secondary school, UMUCHU, Aguata LGA Anambra State, Nigeria

BACKGROUND

- Born into a herbal home; parents, grandparents, and great grand parents were renowned herbalists in West Africa.
- 1996: Consultant herbalist to National Institute for Pharmaceutical Research and Development(NIPRD) Idu-industrial area, PMB 21, Garki Abuja

HOBBY

- Herbal medicinal research and development, over 20 years of active, continuous research in West African Tropical Phytomedicinal agents.

RESEARCH INTERESTS

- Immunodeficiency Research:
 - Targeting cure of HIV/AIDS by supporting adaptive immunity in immunocompromised state.
 - Controlling triglyceride level in HIV/AIDS patents taking highly active anti-retroviral therapy. (HAART)
 - Combining synthetic anti-retroviral therapy and phytomedicinal agents in HIV/AIDS treatment.
 - Salvaging the terminal AIDS patients
 - Vaccine against HIV/AIDS normal t-cell/macrophage response in HIV/AIDS
 - Optimizing cellular immunity in HIV/AIDS, TB, M-Lepraes, psoriasis
- Preventative Cardiology
 - Plant sterols and plant anti-oxidants in cardiovascular health
 - Decreasing total body cholesterol and LDL-Cholesterol.
 - Forestalling degenerative diseases with intake of plant sterols and plant anti-oxidants. (Alzhiemers, Multiple sclerosis)
 - Supporting maximum metabolism and optimal metabolism in spite of aging
 - Decreasing blood triglyceride, blood total cholestrerol, and LDL-Cholestrerol in the otherwise threatened heart.
 - Decreasing C-reactive protein and homocystein for optimal health
 - Stimulating optimal glucocorticoid level for optimal carbohydrate metabolism
 - Jumpstarting the rise in HDL-level during supplementation to forestall positive gradient LDL/ Cholestrerol graph vs time.
- Oncology/Chemotherapy
 - Prevention/treatment of retroviral related cancer, eg: non-hodgkins lymphoma, etc.
 - Prevention/treatment of viral oncology, CA cervix
 - Forestalling hair loss during active chemotherapy. Supporting the integumentary system to forestall losses during chemotherapy.
 - Supporting/Maintaining trilineal erythropoiesis during active chemotherapy.
 - Normal hemoglobin, PCV, and optimal white cell count and normal platelet count in chemo therapy.
 - Special interest in Lymphomas, Leukaemias, CA cervix, Lungs CA, CA pancrease, Prostate CA

RELATED NATIONAL/INTERNATIONAL EXPOSITION/SCIENTIFIC WORKS

6/17/04 Salvage A and Salvage B

- Breakthrough in HIV/AIDS has been independently reviewed in University of Nigerian Teaching Hospital by Professor Gilbert Onuaguluchi. ANPA-Association of Nigerian Physicians in America held a medical confernece in Anaheim California (Disneyland Hotel.) Professor Onuaguluchi delivered the keynote address (Poverty and Healthcare-HIV/AIDS in Africa.)

CHIDI MARCEL EZEIHU, MD,MB, BS

Continued:

This breakthrough in HIV/AIDS was presented in this conference. People from NIH, Emory were in attendance.

10/15/2003

- Press conference interview held by Dr. Chidi Ezeihu and Professor Onuaguluchi at Salvage Clinic Research and Diagnostic Center, 143 Agbani Road, Enugu, Nigeria. Press conference was about Salvage "A" and Salvage "B". This conference was carried by CNN Europe.

08/30/2000

- Dr. Chidi Ezeihu presented his claim of HIV/AIDS breakthrough to Nigerian National Assembly at National Assembly Complex Abuja

07/27-28/2000

- Salvage "A" and Salvage "B" was presented in two day workshop on HIV/AIDS organized by Nnamdi Azikiwe Teaching Hospital (NAUTH) Nnewi Anambra State, Nigeria.

May 2002, July 2002, October 2003, September 2003

- Some United Nations Consultants trying to reach Dr. Chidi Ezeihu in Enugu, because of his work in HIV/AIDS

1997

- Introduction of Dr. Ezeihu's phytomedical formulation into a National Agricultural Research project in Nigeria: comparing efficacy of phytomedicinals with orthodox drugs; re: Professor D.N. Ezeasor-DVM (Ibadan) Ph.D Edinburgh College Dean, Department of Veterinary Medicine, University of Nigeria, Nsukka. Telex. 5496, Ulions NLT, Fax 042-77064

1997

- Confirmation of usefulness of cocceal for treatment of cryptosporidium parvum. (Cattle Eimeria) infection in the USA by a professor of veterinary medicine re: phytoforte incorporated,USA

1997

- Confirmation of usefulness of cocceal as being a very good natural anticoccidial USA re: Dr. M.J. Kelleher, phytofort Inc. USA Fax: 510-644-3898, e mail: onyebu@aol.com

1997

- Re-testing of phytomedicinal formulations, cocceal, and confirmation of its efficacy against caecal coccidiosis: National Veterinary Research Institute, Diagnostic and Investigative Laboratory, Oji River, Enugu State, Nigeria. re: OJR/RES/R/2, 2nd April, 1997, Dr. H. P. Onyeama, the Veterinary Investigation Office, N.V.R., Oji River

1994

- Testing and confirmation of efficacy and antiviral, anticoccidial, phyto-medicinal: National Veterinary Research Institute, Diagnostic and Investigative Laboratory, Oji-River, Enugu State, Myjhia. Ref: DJR/RES/RI, 16th July 1996, Dr. H.P. Onyeama, the Veterinary Investigation Office, N.V.R., Oji River

1996

- First National Workshop on medicinal plants organized by Abuja Horticultural Society, September, 1996. During the writing of the comminque, Dr. Chidi Ezeihu suggested the need to look into the medicinal values of plants in both humans and farm animals.

1994

- Phytomedicinal (drug) proving with Dr. Ernest Ugo, the president of Calvery Foundation International, #1, Ogbete Street, Enugu, Tel: 01123442330375- Nigeria

CHIDI MARCEL EZEIHU, MD,MB, BS

RESEARCH PROPOSALS

May 1991

- Local antihelmintic herbs, UNTH, Enugu

1996

- Foreign-exchange saving devices from the viewpoint of Economic botany, Marc Ben International Ltd., Enugu, Nigeria

AFFILIATED CORPORATION INSTITUTIONS

1. Dynamic Herbals, Inc. U.S.A.
2. Marc-Ben International Ltd., Enugu, Nigeria
3. Salvage Clinic Research and Diagnostic Center, Enugu, Nigeria
4. Dynamic Health International, LTD, Enugu

RESEARCH ASSOCIATES

- Professor Onuaguluchi Gilbert, FRCP (Edinburgh) FRCP, (Glasgow), Phd, (Glasgow)
Official overseas advisor/representative for the Royal College of Physicians of Edinburgh.
Consultant physician, University of Nigeria Teaching Hospital, Enugu, and Professor of Pharmacology and Therapeutics. Author: "Parkinsonism", published by Butterworths, London 1964
- Professor Wilson Onuigbo, National Orthopaedic Hospital, Enugu, Nigeria
- Dr. Mrs. Ozo, M.D., Treasurer - West African College of Physicians.
